

Château la Varière

A Meilleurs Terroirs selection

Cabernet d'Anjou Cuvée du Rossignol

Rosé - 2019

Sophisticated and elegant

A great typical Loire Valley wine

We have carefully selected the parcels of this wine from our vineyard: clay-limestone for Cabernet Franc and gravelly soil on clay for the Cabernet Sauvignon. This choice brings the best out of the terroir and the grape variety. This brand refers to one of the emblematic parcels selected for this wine. It is called Rossignol in reference to the nightingale's song that can be heard here.

The vineyard

Chateau la Varière is situated in the district of Vauchrézien, next to the well-known Chateau de Brissac. Our estate is surrounded by its adjoining vines and its various parcels close by. It is characterized by a quest for the best terroirs. The vast variety of terroirs provides complexity. The blend of different wines from each plot or section is one of the keys to the success of the estate's wines. Winegrowing also brings the best out of each parcel. Shorting pruning, grass cover and low hanging vines count among the special features allowing us to achieve full ripeness for the production of red and sweet wines.

Meilleurs Terroirs, where Great Wines are born ...

Comprising many exceptional castles, the Loire Valley is also called the Valley of the Kings. It was the crucible of France's art of living and power, and is without a doubt the cradle of high quality wines. Meilleurs Terroirs is the portfolio of brands, specializing in great wines derived from the region's most well-known terroirs. Such as Chateau de Sancerre, Chateau la Varière, Domaine de la Perruche... exceptional wines from great chateaux and estates, which have built the reputation of our finest appellations.

Loire Valley wines flourish in a **unique cultural landscape**, classified as a UNESCO World Heritage site. The Loire Valley vineyard extends over 65,000 hectares within 4 regions – Pays Nantais, Anjou-Saumur, Touraine and Centre Loire. All and all, this wine route represents a distance of 800 km.

"The Loire Valley is France's 3rd largest winegrowing region. Stretching from the Atlantic coast to the Centre region, it is a point of equilibrium, where north meets south, sophistication meets freshness, art meets literature, and tradition meets modernity. These harmonious contrasts - plus the generally temperate climate and extraordinarily varied terroirs - have produced the world's most diverse array of wines. As a result, France's longest river is capable of providing a rich selection of over 50 still and sparkling AOP and PGI wines and over 10 varieties (Chenin, Sauvignon, Chardonnay, Melon de Bourgogne, Cabernet Franc...). All of the wines are in the nature of the Loire Valley."
