The vineyard

Chateau la Variere is located in the district of Vauchrétien, next to the famous Chateau de Brissac. Our estate is surrounded by its vines and different parcels in the surrounding area. Chateau la Variere is characterized by the use of the best terroirs. This variety of terroirs adds complexity to the estate's wines. Blending the different wines of each plot or parcel is one of the keys to the success of Chateau la Variere. Vine-growing techniques capture the essence of each parcel. Short pruning, heavy grass cover, and low hanging bunches count among the features allowing us to obtain high alcohol levels for the red and sweet wines.

Meilleurs Terroirs, where Great Wines are born ...

Comprising many exceptional castles, the Loire Valley is also called the Valley of the Kings. It was the crucible of France's art of living and power, and is without a doubt the cradle of high quality wines. Meilleurs Terroirs is the portfolio of brands, specializing in great wines derived from the region's most well-known terroirs. Such as Chateau de Sancerre, Chateau la Varière, Domaine de la Perruche... exceptional wines from great chateaux and estates, which have built the reputation of our finest appellations.

Loire Valley wines flourish in a **unique cultural landscape**, classified as a UNESCO World Heritage site. The Loire Valley vineyard extends over 65,000 hectares within 4 regions – Pays Nantais, Anjou-Saumur, Touraine and Centre Loire. All and all, this wine route represents a distance of 800 km.

"The Loire Valley is France's 3rd largest winegrowing region. Stretching from the Atlantic coast to the Centre region, it is a point of equilibrium, where north meets south, sophistication meets freshness, art meets literature, and tradition meets modernity. These harmonious contrasts - plus the generally temperate climate and extraordinarily varied terroirs - have produced the world's most diverse array of wines. As a result, France's longest river is capable of providing a rich selection of over 50 still and sparkling AOP and PGI wines and over 10 varieties (Chenin, Sauvignon, Chardonnay, Melon de Bourgogne, Cabernet Franc...). All of the wines are in the nature of the Loire Valley."
